“ Leon- You be missed. Your friendship is something I will treasure. I remember the fun times we had growing up, whether it was "Karate" , bowling or going to the Piedmont drive in. Your cheerful personality always made the day better and brighter. I can't begin to count how many hours/days we spent talking and goofing off at Carolyn's gas station. I was always glad to see you when I was home visiting. My thoughts and prayers to your family.

“ There are people in your life that makes you feel good just being around them... Leon you were one of those people, you made people feel special and oh how you could make us laugh. My fondest memory of you is when Tricia and Elvin had the resturant. The church wanted a certain dinner and you said you would be glad to help.. and that was just how you were...we had the best time putting that dinner together, I never laughed so much... Sure will miss seeing that smile and your quick wit. R.I.P. Leon, you will be greatly missed.....

“ Life took us in different directions. But life could never seperate us from being cousins. I will never forget you, or all the fun we had growing up together, me being older only by a few month's and you being bigger than me, if you wasn't at my house I was at yours, Oh the memories of riding horses and watching the wild life in the woods, walking down to the creek playing with the big snapping turtles, to all the camping. Such good memories. Well my cousin you was more of a brother to me and I will forever miss you, may you rest in peace. Until we meet again. Love ya always.
