“ Alta was and remains a friend to all that came in contact with her.. She was a hard worker and was always depended on when it was crunch time. She willingly did jobs that were not within her job code simply because she wanted everyone and everything to be successful. I met Alta after transferring from Virginia Beach to Saint Petersburg. Even though, my background was with the supercenters, she made the transition so much easier. Alta will always be viewed and admired for her dedication. Those of us that know the truth know that she is no longer in pain. Even though she may not physically be here, she is only a thought away. My sincerest condolences go out to the family. Heaven has certainly gain a true warrior. Rest in Peace, Alta.

“ Alta was the first friend i had after moving to Florida. We worked together at Wal-Mart and honestly spent more time laughing than working. Many nights were spent with her while Bob worked overnight or when he was working on the travel team. Alta was an amazing woman who will be missed by many. Until we see each other again Altie- all my love

“ Last Christmas (2018), we were in Arcadia visiting with our kids and before we left we had breakfast with Aunty (which is what I called her) and Bob and we had a good time. We were planning the future for when my husband and I would move there to Ironton. We were going to get together and play cards and just have a good old time. I met Aunty a few years back through my daughter in law Sara. Aunty is actually Sara's Aunt. We had some good times together but now I have to remember her being in a better place. Love you Aunty!
