

Angela Sousa-Paisley

December 31, 1974 - May 13, 2017

Angela Dawn Sousa-Paisley of Pilot Knob, Missouri passed away May 13, 2017 in Ironton, Missouri at the age of 42 years. She was born December 31, 1974 in Fredericktown, Missouri the daughter of the late Thomas James "Buddha" Sousa and Judith Ann (Sutton) Sousa of Ironton, Missouri.

In addition to her mother, Angie is survived by her two children; Christopher Paisley and Allison Paisley both of Pilot Knob, Missouri, her fiance', Charles Wilson Jr. of Pilot Knob, Missouri, his mother, Linda Wilson, and his sisters, Laura Marquis and Susan Walker as well as a host of aunts, uncles, cousins, other relatives and many, many friends.

Angie was a 1993 graduate of Arcadia Valley High School. She was a member of the Arcadia Valley Elks Lodge. She loved spending time with her children, family and friends. Angie had a unique personality. One that was influenced by a Buddha we all knew and loved. And by other unique people in the valley, Granny Dinhobl for one, and of course her mother, Judy. It's no wonder she connected with so many people in the valley. While she worked hard to serve people at their tables over the years, her smile and good conversation was always effortless. We will all miss that very much. Her children, Chris and Allison, were the pride and joy of her life. She worked hard to take care of them and did the best she could to raise them right. She obviously succeeded, they're great kids. Her other blessing was Charlie. Cardinals games, the boats, and love. What more could a girl want, except maybe a shot of Hot Damn. May you rest in the Peace of God, Angie. You are loved by many.

“ This girl could light up a room by just walking in just like her Daddy. Her smile will continue to shine in our hearts like a beacon of sunshine for all who knew her. I am so thankful to have called her my friend just like her Dad before her and her mother whom I hold so dear. May you rest in peace dear friend...

“ I am so sorry for the loss of your mother, and fiance. I didn't know her that well, but what I DID know about her, was that she was a beautiful person, inside and out. She always had a smile on her face, every time I would see her. She will be greatly missed, by everyone who knew her.
