June 1, 1972 - October 3, 2018

Brian Froneyberger is the loving father of Gage and Madison Froneyberger. He was the ultimate Dad who took a lot of joy in being very involved with his children. He coached just about every sport they participated in. He was there for his children in every way that any father aspires to be. He was also the loving husband of Donna (Howard) Froneyberger. He was a man who truly put his family first. He was blessed to work from the home and was always there for anyone and everyone he could be. He made it his goal daily to bring smiles and encouragement to his wife and children in all they did.

Brian was the precious son of Dan Froneyberger and Donna (Bullock) Eakins. He has a loving half sister, Heather, daughter of Donna Eakins. He was born June 1st, 1972 in St. Louis, Missouri. He grew up in Fenton, Missouri with his loving step mom Cathlynn (Murphy) Zehner and siblings Denise, James and Christie. In 1995 Dan wed Dora Rice who is the mother of Tim Crocker adding to Brian's loving family. He went to Eureka High School and played football which soon became another love and hobby for him that he carried on as he coached his own son in the sport. Brian was a graduate of Central Missouri State University. Brian's family has a farm near Farmington, Missouri which also became a big passion for him. He enjoyed fishing on the lake there for hours and hours at a time.

Brian lived his life in a manner that inspired not only his family but the entire community around him. He has left an impression on so many that will never be forgotten.
