“ Sherry and David - I just wanted to let you both know how very sorry I am at the lose of your mother. David, I remember when we went to school at Belleview and I would see her for whatever school function, I always thought what a beautiful woman she was. I understand what you two are going through as I was in your shoes exactly four years ago. It's one of the hardest things to live with, the loss of your mother. It's not something you forget, you just get through it. Please know I will be holding you both and your families up in my prayers and daily thoughts. Words cannot express my sorrow for you all. God bless.....Chris
