“ Erica Bates, My Dear friend, I will never forget you and all the fun we had together. You were so kind, loving, and respectful. You would do anything to make someone happy that wasn't in a good mood. The most important thing that I will never forget is how you would always stay humble and always make the best out of the worse situations. I went and read all your old fb post and I love how you talked about God and loved how close you were to him and how he helped and answered so many of your prayers. You are such a down to earth women. My mother misses you. All she said was wonderful things about you. Like how nice you are.. I wish you were still here because you were a great person! I know your in a better place now though. I love you, girl. Xoxox Rest in peace.

“ Oh, sweet Erica your life has been cut to short. You are a beautiful child of God and for ever more you will have God and the Angels above to give to you the happiness you so yearned for.

I Love you ...and will never forget you.
