“ I want to appologize for this post in advance,the message below my last post from Daniel Inman,This guy is unfort. My ex and Jason was not his friend nor did he like even like him.He posted that for spite to me.That is very disrespectful to him and to myself as well as me having to post this.Leave Jason to rest in peace,show some respect,This isnt the place for that.Again,I am very sorry for this Roger,Elaine&Krisi. Jason its been almost a year since you were taken from us all and not a single day goes by that I dont think about you,It hasn't gotten any easier.Rodney was lost this turkey season without you.We miss you with all our heart.Love you buddy!

“ Well Jason we used to celebrate a little for our birthdays,you the 23rd&mine the 27th,But celebrate'n this year will be hard for me to do.Its never going to be the same with you gone.I know you,so your probably disappointed that I aint party'n it up but just not into it,maybe next year.So far not a day has gone by without me think'n about you,some days I cry and some days I smile(remember'n the good times we shared and all the times you were there for me when I needed someone).Rod and I are going to come visit you for the first time on your birthday.We didnt have enough gas or money to take your final ride with you so I hope we can find you.I seen ben today and we had a heart to heart about you,smile'n and cry'n,we did alot of both!! tell people you come and hang out with me in my dreams sometimes and how much I cherish those dreams.That probably sounds crazy,huh?or is it because I miss you so much.Holbie you were my friens,the brother I never had,I thank you for that.I love you man!
