Comments

“ Madaline was a gift of joy to all who spent time with her. She loved God and family deeply and was not hesitant to share that love. She ministered to me as much or more than I did for her. Madaline was ahead of her time in her open attitude to all. She was and continues to be a wonderful example of a woman who lived a full life and found good even in the hard times. I am blessed to have known her. My love to her and all her wonderful family and frineds. Mary Lou

“ I was Madaline's caregiver for four years. She became very dear to me. In that four years. she never had an unkind word to say to me or about anyone. Her favorite topic was her family. She loved all of you so very much. My Mondays and Tuesdays will be very empty in the future. My prayers and love go out to all of you. Ann
