“ I had a conversation with a lady I work with today about Pam. Had the same coversation with Mom tonight. Pam's funeral was one of the most inspiring days of my life. I saw the effect of being a person of integrity who speaks the truth in love can have on the people around us.
Pam inspires me to be a man of integrity And I fall short very often. Goodness I miss her! She is so admired by me.

“ Pam we all miss you and love you but all that mates is that you are not in pain and you never will be. So I hope you are happy that you're not. I was sad when you died but it was you're time to go and you had no choice to stay god just took you because I you were the chose in one. You're family loves you and the tears roll down are checks when we think of you. Meme misses you and we didn't have you for Christmas so it was really sad to think of you.
