“ I pray that you are being held in the Loving arms of our Lord. We went to school together and then got re-acquainted through Facebook. I will always remember our special lunch we had last Spring and how we laughed. We enjoyed talking on the phone, messaging on FB and I will never forget how hard you tried to teach me to play the games that you so enjoyed on FB. Bless your heart, you finally threw up your hands in frustration when I never quite caught one. I told you I was a lost cause, but you were so determined. I will miss you, your beautiful smile and gentle nature. Praying for the ease of comfort for your loving family Goodbye dear Patti, much love~
