“ Gomer-----

I am forever grateful for the past several years of getting close again.

All the late night talks and watching reality TV shows together!!!! Most importantly----  
THANK YOU for being my rock in many situations...for giving me SO MUCH GRIEF  
ALL THE TIME.....and for being my FRIEND.

Eddie and the Cruisers just won't ever be the same to watch again.

No matter how many hours we spoke every day--we never ran out of things to talk  
about. I would especially like to say thank you for being a strong man, for never  
giving up, for always wanting more and going after it.

Thank you for being a wonderful son (even when you were a snot) to your  
Momma...Aunt Retta will be in my thoughts and prayers all the time and I will  
PROMISE to go see her and be there for her as she manages life after you've gone.

Thanks for being an amazing big brother to Shell----she truly loves you with  
everything she has---I see it---the two of you had a bond no one will EVER be able to  
break.

THANK YOU for being a HUGE part of my life, my kids' lives and their babies as  
well. Austin LOVES HIS TRUCK BY THE WAY--He said it is COOL.

I love you and I know one day we will see each other again. I Love you RICH!!!!!!!  
You may be gone from this Earth, but you will NEVER be forgotten.

I know Uncle Richard has his boy home with him and that comforts my breaking  
heart. Until we meet again---
