“ Dear Robin, please know that you and your family, Dawn and her family, Mandy and her family and Lisa are in my prayers, as well as in my daughters' (Crissy and Jaimee) prayers and many other family members' and friends' prayers for Gods' love to surround all of you and comfort all of you at this very sad time. Von was always such a happy person and a dearly loved cousin. Von was a very sweet, loving cousin and I remember how he would always hug everyone at family reunions and visits and he always said "I love you" and always hugged all of us!! That's the way we were raised in our family!! Granny Palmer taught us all to be loving just as she was!! Von always loved to be with family and laugh!! I remember how your Mom and Dad would say "Von Leeallen!!!" when they wanted to get his attention!! Von was called Home by His Heavenly Father at an early age...Von is gone but Von will never be forgotten by any of us!! "God comforts the brokenhearted". Hold onto the Lord. He is your strength and comfort, especially at this very sad time. Von will live on in the hearts and memories of all who knew and loved him!! Von is at Home and at peace. The comfort is knowing we will all see Von again one day in Heaven!! Sending a kiss to Von in Heaven ...all my love, your cousin Peggy Carlton
